REVIEW—STUDIES IN THE CHRISTIAN LIFE

GOLDEN TEXT—If ye love Me keep My commandments.—John 14:15.
PRIMARY TOPIC—What Jesus Wants Us to Do.
SENIOR TOPIC—The Christian Way of Living.
INTERMEDIATE AND SENIOR TOPIC—What It Means to Be a Christian.
YOUNG PEOPLE AND ADULT TOPIC—Markings of a True Christian.

The following methods of review are suggested:

I. A Descriptive Essay Method.
Each member of the class should be assigned to the task a week ahead of the preparation of an essay on the topics involved in the quarterly lessons, as for example: What constitutes a true Christian. Following Christ. The prayer life of a Christian. The Christian and his Bible. The home life of a Christian. Christian stewardship. The Christian and the missionary obligation.

II. The Question Review Method.
The teacher will prepare a list of questions dealing with the various phases of the quarterly lessons. These will be written on slips of paper and the members of the class will draw them. As examples of questions note the following: What does following Christ involve? What is the Christian's responsibility as to his Bible? What is the Christian's obligation as to stewardship? What are the duties of the members of the home? What is the Christian's obligation as to the evangelization of the world? What is the Christian's hope? Is Christ coming again? Will there be a resurrection of the body?

III. The Summary Method.
This method can always be used to good advantage with the advanced classes. The outstanding fact or facts should be grasped and the principal teaching of the quarter's lessons stated. Suggestions:

Lesson for January 2.
Jesus first calls them to be His disciples. He then calls them to have fellowship in His service. Those who receive this two-fold call will walk as He walked.

Lesson for January 9.
The one who really follows Christ shall be hated and opposed. Having fellowship with Christ, he will love his enemies, do good to those who hate him, bless them that curse him, pray for those which despitefully use him.

Lesson for January 16.
The Bible furnishes the Christian with full knowledge of God and man's obligation to Him. The only way to be able to stand firm and in the coming perilous times is to be thoroughly grounded in the knowledge of the Scriptures.

Lesson for January 23.
Jesus, though divine, resorted much to prayer. If he needed this fellowship, how much more do His followers need it.

Lesson for January 30.
Followers of Jesus may expect temptations, but divine help is available for every need.

Lesson for February 6.
To every believer has been given certain talents such as gifts for service, knowledge, time, money, to be used for the honor of His Lord. A time of reckoning is coming at which reward will be given for fidelity, and judgment meted out for infidelity.

Lesson for February 13.
The home is the oldest and most important institution in the world. The most effective way of making strong and pure the church, society and the nation is to make the home Christian.

Lesson for February 20.
The subject of the kingdom is under solemn obligation to permeate society and let his light shine so that the heavenly father may be glorified.

Lesson for February 27.
Every believer has two natures—the flesh and the spirit. The only way to overcome the flesh is to be filled with the Spirit.

Lesson for March 6.
The Lord permitted persecution to fall upon the church to cause the disciples to be scattered in order for the widening of the testimony.

Lesson for March 13.
Christ has imposed upon every disciple the obligation of witnessing for Him to all the nations of the world.

Lesson for March 20.
The Christian's hope is the personal return of Jesus Christ to take him to His heavenly home. When Christ comes, the body of the believer who has fallen asleep will be resurrected and living believers will be caught up into glory with Christ.

Harder to Do Right

There never has been an age where it was not harder to do right than to do wrong, just as there has never been a time when it was not harder to swim upstream than down.—Herald of Gospel Liberty.

Let Your Light Shine

A light under a bushel, besides being hid, will go out in a short time for want of air. Unless our lights shine for others, they will soon perish in ourselves.—Herald of Gospel Liberty.

Radio Parish Church

The average listener tuning in to WGS at Congress Square Hotel at Portland, about 1.30 every Sunday afternoon probably fails to grasp the magnitude of the Radio Parish Church work. The activities of Rev. Howard O. Hough, who broadcasts words of help and cheer at that time are not confined to his invisible audience. While the talks reach thousands far beyond his personal influence, he ministers to a large parish in Portland and suburbs, with splendid results.

The church organization supports no edifice for worship; it is free from theological dogmas and proclaims the simple gospel as taught by the founder of Christianity and his disciples. This is non-sectarian and missionary in spirit.
Rev. Howard Hough's weekly activities include addresses in churches, clubs and societies; visiting the shut-ins; officiating at weddings; attending funerals and giving cheer to the sorrowing. The foregoing is but a small part of his work that increases as the usefulness of the Radio Parish Church enters the minds of thinking Christian people.

An analysis of the morning's mail is worthy to consider. Sixty nine percent of letters are from out of town; eleven percent from out of the state; twenty percent are from Portland (including Westbrook and South Portland); ten percent are from and about students at Portland.

The directors of this movement are Henry P. Merrill, Hon. Llewellyn Carlton, Lyman B. Chipman, Charles P. King, D. D., Daniel W. Hoegg, Howard O. Hough, Philip H. MacDonald, Charles H. Ross, Neal Allen, Sadie P. Norcross, all of Portland. Mrs. Wallace R. Tarver, Fryeburg; William R. Copp, Cornish; Edward M. Mason, Raymond; Louis W. Haskell, Auburn; Geo. M. Alwood, South Paris.

The Church is supported by the generosity of its friends and dependent financially upon contributions which are gratefully received. All money received is applied directly to the work for the best of broadcasting is a contribution from WGS.
